## F&W DEEP WELL VERTICAL JET PUMPS

Flint & Walling's Vertical Deep Well 2-Stage Jet Pumps are popular for both shallow well and deep well installations, where higher discharge pressure is desired. Motor is a 3450 rpm Dual Voltage, Single Phase motor with copper windings, double ball bearings and overload protection with automatic restart. The impellers and diffusers are precision molded for perfect alignment and smooth passages for high performance and reliability. The pump case is a large one-piece design. Pump can be disassembled without having to disturb the well or discharge pipes. Priming ports are on the top for easy priming and the discharge port is on the top where air lock conditions are prevented. On the bottom face of the pump, there are tappings that allow for easy draining of the pump case and also a convenient place to put the pressure switch and pressure gauge onto the pump.

Model #	PRICE		Description of Pump
VS 210 P	\$ 696.00	VS210P	1 HP Vertical 2-Stage Jet Pump
VS 215 P	\$ 933.00	VS215P	1-1/2 HP Vertical 2-Stage Jet Pump
SW Pkg	\$ 51.00		Shallow Well Ejector Package
DW40E	\$ 67.00		4" Deep Well Ejector Package
SP20BL	\$ 155.00		2" Deep Well Packer for 1-1/4" drop pipe
SP25BL	N/A		2-1/2" Deep Well Packer / 1-1/4" drop pipe
SP30BL	N/A		3" Deep Well Packer / 1-1/2" drop pipe
129720	\$ 69.00		2" x 1-1/4" Straight Adapter
129723	\$ 85.00		2" x 1-1/4" Right Angle Adapter
SP20LEATHER	\$ 13.60 @		2" Replacement Leather for Packer

## SHALLOW WELL EJECTOR PACKAGE

Model #	Description of Ejector Package								
SW10V1030	Shallow Well Ejector for 1 hp VS 210 P 2-Stage Vertical Jet Pump								
	Capacity in GPM at PSI								
Suction Feet	20	30	40	50	60	70	80	90	Shutoff PSI
5'	16.7	16.7	16.7	16.7	14.3	9.0			80 psi
15'	13.3	13.3	13.3	13.3	11.7	5.0			75 psi
25'	7.2	7.2	7.2	7.2	6.8				70 psi
SW15V1034	Shallow Well Ejector for 1-1/2 hp VS 215 P 2-Stage Vertical Jet Pump								
5'	20.7	20.7	20.7	20.7	20.7	20.3	17.0	11.0	96 psi
15'	17.3	17.3	17.3	17.3	17.3	17.2	15.0	4.0	91 psi
25'	9.2	9.2	9.0	9.0	9.0	9.0	6.8		84 psi
