BRASS GATE VALVES

These gate valves are rated at 200 psi and each valve has been individually pressure tested at the factory. Our economical imported gate valves have die-cast brass bodies, forged brass bonnets, solid brass wedge disk, Teflon O-rings, non-rising stems, and cast iron hand wheels. All gate valves are female pipe thread x female pipe thread.

1/2"	5BGV	\$ 6.50	1-1/4"	12BGV	\$ 16.70	2-1/2"	25BGV	\$ 70.40
3/4"	7BGV	\$ 7.95	1-1/2"	15BGV	\$ 22.80	3"	30BGV	\$ 85.50
1"	10BGV	\$ 11.50	2"	20BGV	\$ 33.10	4"	40BGV	\$ 163.00

BRASS BALL VALVES

These Italian ball valves have a plastic coated steel lever handle for easy quarter turn on and off operation. Our ball valves are rated 600 psi and have FULL PORTS (the valve's opening is the same full ID dimension as the pipe size) for unobstructed flow characteristics. These valves have forged brass bodies, chrome plated brass balls, Teflon seats and seals, and female pipe threads. Sizes with a * will ship from the factory, so please allow a few extra days for delivery.

1/2"	5BBV	\$ 6.05	1-1/4"	12BBV	\$ 21.85	2-1/2"*	25BBV	\$ 121.00
3/4"	7BBV	\$ 9.10	1-1/2"	15BBV	\$ 33.75	3"*	30BBV	\$ 149.00
1"	10BBV	\$ 14.50	2"	20BBV	\$ 49.10	4"*	40BBV	\$ 280.00

TEE HANDLE STOP & WASTE VALVES

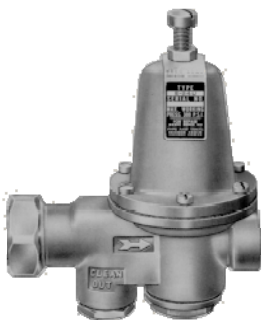

These brass valves are designed for burial and will drain your water line back to the valve's weep hole when the valve is closed. All valves are female pipe thread with a tee handle for ground key operation.

3/4"	7BLSDV	Standard Pattern	\$ 30.25	1"	10BLSDV	Standard Pattern	N/A
				1-1/4"	12BLSDV	Standard Pattern	N/A

BOILER DRAINS & SPECIALTY VALVES

\$ 4.95	1/2" BOILER DRAIN	5BBD	A brass drain valve with 1/2" male pipe thread x 3/4" male hose thread discharge. Valve stem has a stuffing box
\$ 5.40	3/4" BOILER DRAIN	7BBD	Same as above except 3/4" male pipe thread.
\$ 7.80	1/8" Gate Valve	1BGV	Brass gate valve with female pipe thread.
\$ 7.25	3/8" Gate Valve	3BGV	Brass gate valve with female pipe thread.
\$ 8.35	3/4" C x C Gate Valve	7BCCGV	Brass gate valve with solder x solder connection.
\$ 11.80	1" C x C Gate Valve	10BCCGV	Same as above except 1" solder connection.
\$ 13.25	3/4" Nibco U-Valve	7BUV	Brass threaded shut off valve w/ Nibco's Buna-N plunger
\$ 23.25	1" Nibco U-Valve	10BUV	Same as above except for 1" threaded connections.

PRESSURE REDUCING VALVES & WATER METERS

\$ 70.75	3/4" PRESSURE REDUCING VALVE	7BPRV	These valves are designed to reduce the pressure of an incoming line that is operating at too high a pressure. Factory set to reduce an incoming pressure down to 45 psi (for household use). Maximum incoming pressure upto 400 psi and delivery pressure range of 10 to 70 psi. Threaded female x female iron pipe.
\$ 102.50	1" PRESSURE REDUCING VALVE	10BPRV	Same as above except 1"
\$ 145.00	3/4" BRASS WATER METER & FLOWMETER	7BWM	The C-700 Brass Water Meter & Flowmeter is an inexpensive domestic water meter that is rated for flows between 1/4 gpm up to 20 gpm. Meter is a 5/8" x 3/4" domestic water meter and comes with a set of 3/4" brass iron pipe thread connectors.
